Engagement in one or all of the “Classroom/Seminar Participation”, “One-on-One Collaboration”, and “Independent Research” categories.

- Total engagement must be 18 hours per week.

If “Classroom/Seminar Participation” is the only category of participation:

- The minimum requirement for full-time engagement is either:
  - 12 transferrable/transcriptable credit hours, or
  - 18 clock hours of classroom engagement (non-credit-bearing).

- The participants should submit:
  - Activities Report (Form D) - When participants attended professional seminars or conferences, they should submit a Form D with an event flyer, if any.
    - The number of credits will be determined based on time on task (contact hour plus preparation time).

In case of the engagement in either “One-on-One Collaboration” or “Independent Research”:

- The participants should submit:
  - Application for VIP 890 Independent Study (Form C) - The participants should consult with a program coordinator regarding their plans at the beginning of their stay, and submit a Form C.
    - The number of credits for independent study will be determined by the academic committee.
