**PROGRAM OVERVIEW**

In partnership with MSU Global Studies in the Arts and Humanities, the Visiting International Professional Program is coordinating a Civic Engagement program as part of the Study of the U.S. Institutes (SUSI) for a group of 18 to 20 Student Leaders from Europe this summer. The program is sponsored by the Department of State, Education Cultural Affairs (ECA).

**ENGAGE WITH SUSI**

An important goal of the SUSI program is cultural exchange between the U.S. and Europe among our young people. We are excited to offer an opportunity to host two to four SUSI students for a home hospitality on **July 9 or July 16, 2022**. All students are undergraduate or graduate students between the age of 18 and 25. If selected, you will host the students at your home on one of the Saturdays for lunch and early dinner. You can arrange any fun activities indoors or outdoors with your family members, friends and neighbors.
