Visiting Group From Turkey Tours Niagara Falls

The Visiting International Professional Program hosted a group of Turkish professionals over the past two months. In addition to visiting Niagara Falls, the group also traveled to Chicago and Detroit as well as participated in VIPP classes at MSU. The group will conclude their stay with a trip to New York and Washington D.C. later this month. ■

Chinese Students Attend VIPP Global Education Workshop

A group of students from Sichen University in China got a taste of American culture through the VIPP Global Education Workshop. The group visited Lake Lansing where they enjoyed a barbeque, volleyball, and an impromptu lesson in American football. Other events during their two-week visit included shopping at Tanger Outlet Mall and a trip to Demmer Center. ■

From the Director

It has been a great summer, and with fall just around the corner, we are looking forward to hosting more programs and professional groups.

Registration for fall workshops and training begins on September 1 and, classes start on September 7. Please call our office for details.

We look forward to continuing to partner with you in the future. ■

Michael Miller, VIPP Director
